

Memo

To: Bedminster Township building permit applicants

From: Phil Neas, Building Code Official

Date: December 3rd, 2015

RE: Electrical approval for building permits

Effective December 3rd, 2015, all projects which involve proposed electrical work must have an electric plan submitted at the time of application that is approved/stamped by a third party electrical underwriter.

The following is a list of electrical underwriters that can be contacted to examine and approve plans:

Code Inspections Inc: 215-672-9400

Commonwealth Code Inspections: 610-692-6762

Mid-Atlantic Inspections Inc: 215-322-2626

United Inspection Agency: 215-542-9977
